AKASH BHANDERI

MERN Stack Web Developer

HERE'S MY STORY:

I am a full stack MERN developer having a good knowledge of front-end and back end techniques in developing web application. I love spending time on fixing details and optimizing web apps.

WORK EXPERIENCE

SUMMER INTERNSHIP

AKASH TECHNOLABS - AHMEDABAD
(MAY 2021 TO JUNE 2021)

I have taken my 15 days Node JS Express JS internship from Akash Techno labs. That was the best experience and starting my careers with getting a good knowledge of backend part.

WEB DEVELOPER AS A TRAINEE

LATX TECHNOLOGIES- MUMBAI
(JAN 2022 TO CONTINUE.....)

I am currently working as a full stack developer in Latx technologies. I have a good experience in HTML CSS Node JS Express JS MongoDB React JS and build a well-defined project named Zomato and my own projects like Stock app , Weather App, Fitness App etc.
